- ✔ Fill up all the required fields
- ✔ You are registered

## Kiosk Slot Registration \*

The most universally inclusive method for travelers to self-register to access the security check.

- ✔ Scan your boarding pass
- ✔ Choose the amount of passengers
- ✔ Your slot time is printed on a paper ticket.

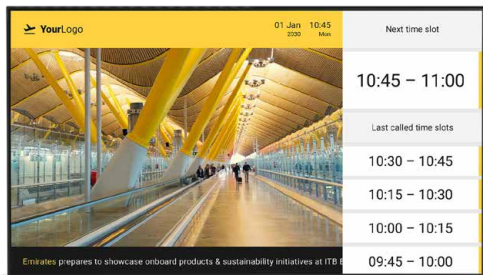

## Confirmation / Notification

Upon registration, you'll receive an email confirmation with a summary and your security check time slot.

- ✔ Email confirmation
- ✔ SMS \*
- ✔ Google / Apple wallet \*

## Info Monitors

Let travelers follow up their time slot on displays placed across the airport.

- ✓ Time slot status
- ✓ Digital signage
- ✓ Information ticker

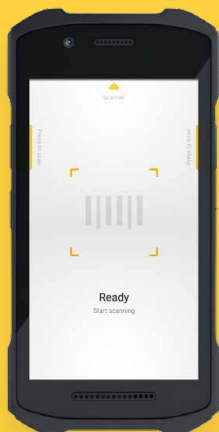

## Apps for staff

## Boarding Pass Scanner

Equip the assistance staff with a swift and user-friendly tool to facilitate traveller registration to the dedicated queue.

- ✓ Scan boarding pass
- ✓ Assign it to a slot-time
- ✓ Print tickets

## Boarding Pass Validation

Provide the security check staff with a simple tool to validate travellers' registration for the designated slot time.

- ✓ Scan passengers' tickets
- ✓ Verify the validation (valid / not valid)
- ✓ Guide passengers to the assigned time slot

## Gate Validation

Arrive, scan, and go in seamlessly: Equip the security check with smart gates for a swift and efficient screening process.

- ✓ Arrive to security check
- ✓ Pass your QR code
- ✓ Go in

# Why trust moviik

## ✔ Integration

Effortless integration with pre-existing airport systems guarantees optimal operational efficiency.

## ✔ Omnichannel support

Enhancing accessibility for a diverse audience by accommodating users with varying levels of technological proficiency.

## ✔ User-friendly interface

A user-friendly interface enhances the overall experience for both staff and travelers, promoting seamless and efficient utilization.

## ✔ Real-time data and reporting

Delivers real-time data and robust reporting tools to enhance decision-making capabilities.

## ✔ Automation and workflows

Streamline routine tasks and manage workflows efficiently contributing to increased productivity.

## ✔ Secure and GDPR compliant

Security measures ensure data protection and GDPR compliance with strict personal data handling guidelines.

## ✔ Support and training

Comprehensive support services and training guarantee a successful implementation process.

## ✔ Innovation and future-proofing

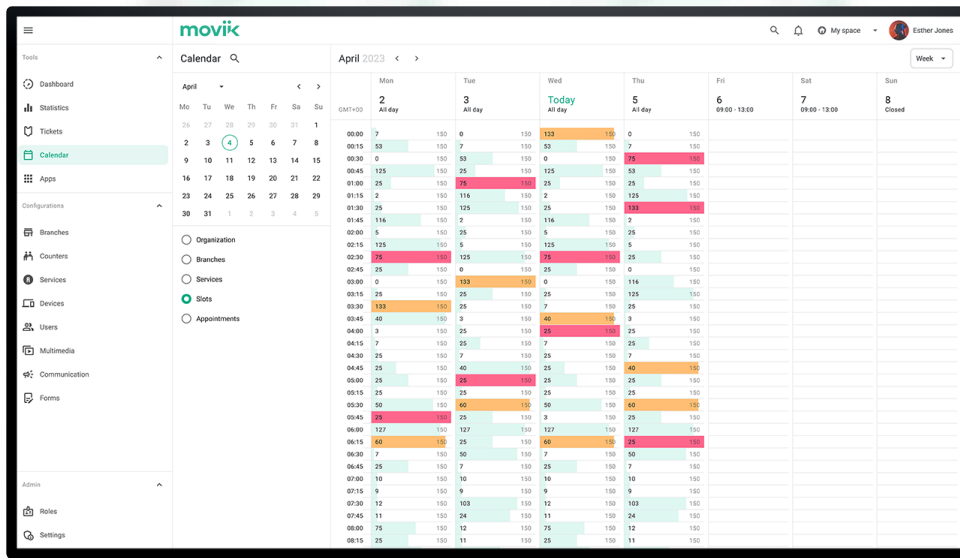

Fostering innovation and adapting to future changes are key elements for ensuring sustained long-term success.

---
